Club News

Be sure to check out our website

www.chesterfieldfourseasonsclub.com and Facebook page. Please check often as updates are made on a regular basis.

Hello all! With the State starting to open up, we are hoping to start having functions. So keep your eyes and ears open as we are sure we will be limited, therefore people will need to reserve a spot.

We have learned if the Club has a Certified Serv Safe Food Manager on site we would be able to open following the COVID19 protocols. If anyone is interested in volunteering to take on this responsibility, please contact one of the Club Officials or Board of Directors.

Due to restrictions our general elections didn't take place. A few updates in personnel; Bill Golaski has stepped down from Treasurer with Becky Orr as the interim replacement. Thank you Bill for your dedication and hard work, and Becky welcome aboard. Bob Hewes has filled the vacant Board of Directors opening as Steve Hogan also stepped down. Thank you Steve for all your hard work and dedication. Bob welcome aboard once again, it's great to have you back.

Thank you Pete Fappiano for taking care of the lawn this season. If anyone is looking for a landscaper Pete has some openings.

Enclosed you will find 5 raffle tickets that we are encouraging our members to sell. The raffle is \$5.00/ticket with a \$500.00 payout. This COVID Benefit raffle is needed desperately to fund the everyday expenses the club endures. Without having functions we need to come up with other ways to bring in money. Please contact Paula Cialek at 413-584-9149 should you need additional tickets. Stubs and money can be mailed to Paula Cialek, 1175 Westhampton Road, Florence, MA 01062 or given to any Board of Director or Club Officials.

Dedicated to better sportsmanship for our community

The clubhouse is in need of some long overdue repairs, please take a look at the list and contact any Club Official or Board of Directors if you possess a talent and would like to donate some time to help. Always looking for helpers.

Once again, if you happen to have any interests that you would like to bring to the club, please contact us. It is a great time to come up with some new ideas. I know this is mentioned in every newsletter, but it's incredibly important as a member to step up and help out. The same dozen people are the one's keeping this club active and could use a break and be able to sit back and enjoy.

It would be awesome if we had some volunteers to bring hunting and fishing activities back to the club as we are a four seasons club not just a snowmobile club. Okay, okay I'll get off my soapbox...well for now anyway.

Please stay safe and we hope to see you soon.
