We hope everyone had a safe and happy Thanksgiving. A lot of families weren't able to have the usual gatherings but we are thankful for our health and the health of our families.

I apologize for the delay in getting this newsletter out, unfortunately I ended up with COVID and thankfully it wasn't to the extent to put me in the hospital. It just put me out of commission for a little while. Luckily it wasn't passed onto anyone in the household.

SAM passes are now available and as a result of the late notification the club has voted to extend the early bird registration for membership and trail passes to December 31, 2020. Membership forms are attached. Please send the completed membership form with a copy of your current snowmobile registration, along with a self-addressed stamped envelope with your **current mailing address** to: **Paula Cialek, 1175 Westhampton Road, Florence MA 01062** and I will be sure to get the passes out to you.

With signs of winter upon us, we are all looking forward to the upcoming snowmobile season. We are currently working with the town Board of Health to find out what will be needed to open. At this point we need to have a Safe Serve Food Manager and need to adhere to State Covid Protocols, which states Alcohol **cannot** be served without a food order. Please contact any Board Member if you are interested in becoming certified. We know we are all dealing with trying times, however in order for the club to continue we need to ask all members to help in any way they can. Whether it involves obtaining a Food Safe, Safe Serve Food Manager or Alcohol Safe Serve certificate. We all need to step up and assist if the club is going to survive.

The raffle was successful, thank you to all that sold tickets. Mike Gross was the lucky winner with the ticket being sold by Brian Driscoll.

We need volunteers to help with a big cleanup of the clubhouse, if you are interested in helping, please contact Todd Frost or any board member for details.

If anyone has suggestions to bring new sporting events to the club, as we are a “Four Seasons Club” please, please come forward. It would be great to have more interests in order to keep the club functioning throughout the year!!

We hope everyone has a wonderful, safe Christmas and we hope to see you soon.
